We have been very active the past few months and want to share with you the extra Resources we have added to our extensive work for your use.

In January, we completed two new short animated films:

Child Abuse: <https://youtu.be/cyUyuAq3h3I>
 Discussion Notes: [Discussion_Notes_Child_Abuse_1.docx](#)

Abuse of Men: <https://youtu.be/BOIFvH4S1-w>
 Discussion Notes: [Discussion_Notes_Abuse_of_Males_1.docx](#)

These can be downloaded from website RESOURCES with the accompanying Discussion Notes. The Notes are to create information, thoughts and discussion of the role we can all play in prevention of family abuse. Please use these films at one of your meetings. Dorothy would appreciate any feedback so that Rotary SAFE Families can retain its relevance to our mission.

Rotary SAFE Families is also very happy to be able to provide you and your Club with the **"Guide to Prevention of Family Abuse in Australia"**, not only in English, but now in five other languages. This has been achieved with the help of volunteers who provided their skill and time in translating the Guide into their language.

Rotary SAFE Families is inclusive and respects diversity. The Guides are written in:

- [Swahili Swahili_Translation_of_Guide_3.pdf](#)
- [Hindi Hindi_Translation_of_Guide_3.pdf](#)
- [Greek Greek_Translation_of_Guide_3.pdf](#)
- [Dari Dari_Translation_of_Guide_3.pdf](#)
- [Farsi Farsi_Translation_of_Guide_1.pdf](#)

These can be printed out at minimal cost by Clubs, placing their Rotary logo onto the cover, and provided to the relevant non-English speaking Australians in their organisations, community hubs to inform and include n the prevention of family abuse in Australia. The Guides also provide the relevant support agencies for their assistance.

Huge thank you to all our wonderful SAFE Families' Ambassadors from around Australia. Your support and presence are greatly appreciated.

Rotary SAFE Families has provided these resources at no cost to you. Please use them, showcase your Club and its endorsement of Rotary SAFE Families. These resources all fit with our Four-Way Test:
